EDUCATION

Ph.D. **University of California, Irvine,** Health Psychology, 2019
Minor: Quantitative Methods
Dissertation: *The Psychological and Physiological Effects of Experimentally Induced Smiling During Physical and Social Pain*

M.A. **University of California, Irvine,** Social Ecology, 2016
Thesis: *Does a Smile a Day Keep the Doctor Away? The Connections between Facial Expressions in Student Identification Photographs and Health Care Center Visitation*

B.A. **University of California, Los Angeles,** Psychology, 2012
Departmental Honors, *cum laude*
Phi Beta Kappa

ACADEMIC POSITIONS

Assistant Teaching Professor 2019 – present
Department of Biobehavioral Health
The Pennsylvania State University, University Park, PA

GRANTS AND FELLOWSHIPS

Teaching Materials Grant ($200) 2020
Schreyer New Faculty Colleagues Group
The Pennsylvania State University

Dean's Dissertation Writing Fellowship ($12,885) 2019
School of Social Ecology
University of California, Irvine

Multidisciplinary Design Program ($2,000) 2017
Undergraduate Research Opportunities Program
University of California, Irvine
Awarded to projects that provide an environment for undergraduate students to develop the multidisciplinary skills and knowledge that will propel them into further studies or careers in fields that explore the connections between different disciplines

La Verne Noyes Fellowship ($3,000) 2016
University of California, Irvine
Awarded to an academically superior graduate student who is a direct descendant of a World War I U.S. Navy or Army veteran

HONORS AND AWARDS

Outstanding Mentoring Award ($200) 2014, 2015, 2016, 2017, 2019
School of Social Ecology,
University of California, Irvine

Carol Kupers Whalen Graduate Research Award ($1,000) 2018
Department of Psychological Science
University of California, Irvine
Awarded to a graduate student who is conducting innovative research on a fundamental question in health psychology and contributes to the department beyond his or her own work

Dissertation Research Award ($1,000) 2017
American Psychological Association
Awarded to students whose dissertation research reflects excellence in scientific psychology

Dissertation Data Collection Stipend ($1,000) 2017
School of Social Ecology
University of California, Irvine

Alison Clarke-Stewart Excellence in Research Award ($500) 2015
Department of Psychological Science
University of California, Irvine
Awarded to the graduate student who submitted the best second year project; given to a paper that was creative, original, theoretically and practically strong, and reflected a large amount of independent work by the student

Graduate Research Fellowship Program Honorable Mention 2015
National Science Foundation

TEACHING EXPERIENCE

Instructor at The Pennsylvania State University

Mean ratings are from student course evaluations. Synchronous courses were in-person unless otherwise noted.

Synchronous Courses

Course	Date	Mean Rating	Course Enrollment
Introduction to Biobehavioral Health	Spring 2021 (online)	6.52 out of 7	125 students
Research and Applications in Biobehavioral Health	Fall 2020 (hybrid)	6.46 out of 7	36 students
	Spring 2020 (hybrid)	6.80 out of 7	39 students
Interdisciplinary Integration in Biobehavioral Health	Fall 2019	6.29 out of 7	100 students

Asynchronous Online Courses

Course	Date	Mean Rating	Course Enrollment
Values and Ethics in Biobehavioral Health Research and Practice	Summer 2021	Not yet available	18 students
	Spring 2021	6.5 out of 7	22 students
	Fall 2020	6 out of 7	26 students
	Summer 2020	6.70 out of 7	23 students
Diversity and Health	Summer 2021	Not yet available	16 students
	Spring 2021	6.85 out of 7	38 students
	Spring 2020	6.59 out of 7	39 students
Gender and Biobehavioral Health	Summer 2021	Not yet available	19 students
	Summer 2020	6.86 out of 7	30 students
Introduction to Biobehavioral Health	Summer 2021	Not yet available	33 students
	Fall 2020	6.67 out of 7	38 students
	Summer 2020	6.48 out of 7	36 students
	Spring 2020	6.72 out of 7	37 students
	Fall 2019	6.68 out of 7	37 students

Instructor at the University of California, Irvine

Mean ratings are from student course evaluations. All courses were in-person.

Synchronous Courses

Course	Date	Mean Rating	Course Enrollment
Human Stress	Spring 2019	6.03 out of 7	252 students
	Spring 2018	6.11 out of 7	230 students
Health Psychology	Summer 2018	8.5 out of 9	39 students

MENTORSHIP

The following are the honors students who I have worked closely with, the titles of their theses, and the awards they won under my mentorship.

Grace Kim (University of California, Irvine, 2018-2019)
Title of honors thesis: *The Connections between Personality Traits and Pain Tolerance*

Jeanne Kim (University of California, Irvine, 2018-2019)
Title of honors thesis: *The Connections between Anxiety Sensitivity and Pain Tolerance*

Katlyn King (University of California, Irvine, 2016-2017)
Title of honors thesis: *Facial Attraction and Academic Success: Does Beauty Trump Brains?*
Social Ecology Excellence in Research Distinction (Spring, 2017)
Summer Undergraduate Research Opportunities Program (Summer, 2016; $1,800)

Lauren Hofschneider (University of California, Irvine, 2015-2016)
Title of honors thesis: *Risky Business: The Influence of Smiling on Risky Decision-Making*
Social Ecology Excellence in Research Distinction (Spring, 2016)
Summer Undergraduate Research Opportunities Program (Summer, 2015; $1,700)

Mikaela Grimm (University of California, Irvine, 2015-2016)
Title of honors thesis: *The Influence of Smiling on Blood Pressure*

Clint McKenna (University of California, Irvine, 2014-2015)
Title of honors thesis: *The Influence of Smiling on Evaluating Moral Foundation Transgressions*
Social Ecology Excellence in Research Distinction (Spring, 2015)
Psychology and Social Behavior Excellence in Research Award (Spring, 2015)
Summer Undergraduate Research Opportunities Program (Summer, 2014; $1,500)

Mary Smirnova (University of California, Irvine, 2014-2015)
Title of honors thesis: *Can Smiling Make You Cheat? The Impact of Smiling on Moral Behavior*
Social Ecology Excellence in Research Distinction (Spring, 2015)

Daniel Faraci (University of California, Irvine, 2014-2015)
Title of honors thesis: *The Influence of Smiling on Moral Decision-Making*
Social Ecology Excellence in Research Distinction (Spring, 2015)
Summer Undergraduate Research Opportunities Program (Summer, 2014; $1,500)

CONFERENCE PRESENTATIONS

**Denotes an undergraduate student I directly supervised in research*

Invited Academic Talks

1. **Cross, M. P.** (March, 2019). *Careers in teaching psychosomatic medicine.* 77th Annual Scientific Meeting of the American Psychosomatic Society, Vancouver, Canada.

Submitted/Reviewed Academic Talks

1. Jenkins, B. N., Ong, L., Boehm, J., Hunter, J., **Cross, M. P.,** Acevedo, A, Pressman, S. D., Richardson, M., & Conner, T. (March, 2020). *When is affect variability bad? Examining the associations between affect variability and mental, physiological, and physical health outcomes.* Paper to be presented at the 78th Annual Scientific Meeting of the American Psychosomatic Society, Long Beach, CA. *Conference cancelled*.

2. Jenkins, B. N., **Cross, M. P.,** Goldstein, A., Kraft-Feil, T. L., Rasmussen, H., Scheier, M. F., & Pressman, S. D. (March, 2019). *The stress buffering effect of positive affect on sleep: Considering arousal level of positive affect.* Paper presentation at the 77th Annual Scientific Meeting of the American Psychosomatic Society, Vancouver, Canada.

3. Jenkins, B. N., Hunter, J. F., **Cross, M. P.,** Acevedo, A. M., & Pressman, S. D. (April, 2018). *Mean positive affect moderates the association between positive affect variability and immune response to the influenza vaccination.* Paper presentation at the Positive Emotion Preconference at the 5th Annual Meeting of the Society for Affective Science, Los Angeles, CA.

4. Pressman, S. D., Acevedo, A. M., **Cross, M. P.,** Hunter, J. F., & Jenkins, B. N. (April, 2018). *Keep calm and fight pain: How arousal matters in the positive affect-pain connection.* Paper presentation at the 5th Annual Meeting of the Society for Affective Science Annual Conference, Los Angeles, CA.

5. **Cross, M. P.,** & Pressman, S. D. (March, 2018). *The case for including facial expressions in affect and health research.* Paper presentation at the 76th Annual Scientific Meeting of the American Psychosomatic Society, Louisville, KY.

6. **Cross, M. P.**, Kraft, T. L., & Pressman, S. D. (April, 2016). *The impact of a "pay it forward" style kindness intervention on giver and receiver wellbeing.* Paper presentation at the 96th Annual Convention of the Western Psychological Association, Long Beach, CA.

7. Pressman, S. D., & **Cross, M. P.** (March, 2016). *Say cheese! The association between smiles in student identification photographs and frequency of health care center visits.* Paper presentation at the Positive Emotion Preconference at the 3rd Annual Meeting of the Society for Affective Science, Chicago, IL.

8. **Cross, M.,** Brooks, K., & Robles, T. (April, 2012). *We get by with a little help from our friends: The relationship between types of social support and emotion.* Paper presentation at the Berkeley Interdisciplinary Research Conference at UCB, Berkeley, CA.

Chaired Symposia

1. **Cross, M. P.** (March, 2019). HIV. 77th Annual Scientific Meeting of the American Psychosomatic Society, Vancouver, Canada.

2. **Cross, M. P.** (March, 2018). Pain and physical symptoms. 76th Annual Scientific Meeting of the American Psychosomatic Society, Louisville, KY.

Poster Presentations

1. *Khan, A., Olah, M., *Palmer, S., *Smith, J., *Resendiz, E., **Cross, M. P.,** & Pressman, S. D. (April, 2019). The relationship between personality and facial expression adherence. Poster presentation at the 99th Annual Convention of the Western Psychological Association, Pasadena, CA.

2. *Kim, G. J., *Singh, T., *Hollas, K., *Tran, T., *Chen, S., *Corona, R., **Cross, M. P.,** & Pressman, S. D. (May, 2018). *An analysis of Cyberball as an effective social exclusion tool.* Poster presentation at the 30th Annual Convention of the Association for Psychological Science, San Francisco, CA.

3. *Dominguez Ortega, D., *Zheng, Z., *Chen, S., *Singh, T., *Galstyan, E., *Gheorma, L., **Cross, M. P.,** & Pressman, S. D. (April, 2017). *A comparison of manipulated and natural smile facial muscle activation.* Poster presentation at the 97th Annual Convention of the Western Psychological Association, Sacramento, CA.

4. **Cross, M. P.,** Acevedo, A. M, Hunter, J. F., & Pressman, S. D. (March, 2017). *Smile while your heart is breaking? The protective cardiovascular effects of smiling during social exclusion.* Poster presentation at the 75th Annual Scientific Meeting of the American Psychosomatic Society, Sevilla, Spain.

5. Hunter, J. F., Hooker, E., Acevedo, A. M., **Cross, M. P.,** *Wong, E. & Pressman, S. D. (March, 2017). *Is your smartphone a digital security blanket? How phone use and availability influences salivary alpha amylase and exclusion reports during social stress.* Poster presentation at the 75th Annual Scientific Meeting of the American Psychosomatic Society, Sevilla, Spain.

6. Acevedo, A. M., Leger, K., *Shader, J., Hunter, J. F., **Cross, M. P.,** & Pressman, S. D. (March, 2017). *Keep calm and carry on: Low arousal positive affect is associated with higher parasympathetic function and no sympathetic activation during responses to pain.* Poster presentation at the 75th Annual Scientific Meeting of the American Psychosomatic Society, Sevilla, Spain.

7. *Dominguez Ortega, D., *Singh, T., *Zhang, S., *Koh, S. E., *Carcano, A., *Gheorma, L., **Cross, M. P.,** & Pressman, S. D. (March, 2017). *Using psychophysiological methods to understand the effects of different positive facial expression manipulations.* Poster presentation at the 38th Annual Meeting of the Society for Behavioral Medicine, San Diego, CA.

8. *Hofschneider, L., *Grimm, M., *Wang, H. D., *King, K., *Ochiai, K., *Ong, P., **Cross, M. P.,** & Pressman, S. D. (March, 2017). *Do loneliness and self-esteem alter the influence of self-affirmation on stress recovery?* Poster presentation at the 38th Annual Meeting of the Society for Behavioral Medicine, San Diego, CA.

9. Urban, E. J., Cochran, K. J., Acevedo, A., **Cross, M. P.,** Pressman, S. D., & Loftus, E. F. (January, 2017). *Underestimating pain: Memory blindness for a self-reported painful experience.* Poster presentation at the 18th Annual Meeting of the Society for Personality & Social Psychology, San Antonio, TX.

10. Chase, D., **Cross, M. P.,** & Pressman, S. D. (April, 2016). *Do personality traits predict health care seeking behaviors in college students?* Poster presentation at the 96th Annual Convention of the Western Psychological Association, Long Beach, CA.

11. *Gheorma, L., *Carcano, A., *Koh, S., *Nguy, C. T., *Ortega, D. D., *Shader, J., **Cross, M. P.,** Pressman, S. D. (April, 2016). *The smile stick: The validation of a new method of smile inducement.* Poster presentation at the 96th Annual Convention of the Western Psychological Association, Long Beach, CA.

12. Limas, I., Villarreal, B. J., **Cross, M. P.,** & Heckhausen, J. (April, 2016). *Academic stress, motivation, and mental and physical health in university students.* Poster presentation at the 96th Annual Convention of the Western Psychological Association, Long Beach, CA.

13. **Cross, M. P.,** & Pressman, S. D. (March, 2016). *Does a smile a day keep the doctor away? The connections between facial expressions in student identification photographs and health care center visitation.* Poster presentation at the 74th Annual Scientific Meeting of the American Psychosomatic Society, Denver, CO.

14. **Cross, M. P., *Gheorma, L., *Hofschneider, L., *Grimm, M., & Pressman, S. D. (January, 2016). *Does a smile a day keep the doctor away? The connections between facial expressions in student identification photographs and health care center visitation.* Poster presentation at the 17th Annual Meeting of the Society for Personality & Social Psychology, San Diego, CA.

15. *Smirnova, M., *McKenna, C., *Faraci, D. C., **Cross, M. P.,** Pressman, S. D., & Ditto, P. H. (January, 2016). *The influence of smiling on cheating.* Poster presentation at the 17th Annual Meeting of the Society for Personality & Social Psychology, San Diego, CA.

16. *Faraci, D. C., *McKenna, C., *Smirnova, M., **Cross, M. P.,** Pressman, S. D., & Ditto, P. H. (January, 2016). *The influence of smiling on moral decision making.* Poster presentation at the 17th Annual Meeting of the Society for Personality & Social Psychology, San Diego, CA.

17. *McKenna, C. *Smirnova, M., *Faraci, D. C., **Cross, M. P.,** Pressman, S. D., & Ditto, P. H. (January, 2016). *The influence of smiling on evaluating moral foundation transgressions.* Poster presentation at the 17th Annual Meeting of the Society for Personality & Social Psychology, San Diego, CA.

18. **Cross, M. P.,** *Faraci, D. C., *Milligan, S., *Gheorma, L., & Pressman, S. D. (March, 2015). *Fake smiles = worse health: The connection between smile type in student photos and physical health.* Poster presentation at the 73rd Annual Scientific Meeting of the American Psychosomatic Society, Savannah, GA.

19. *Faraci, D. C., *Milligan, S., *Gheorma, L., **Cross, M. P.,** & Pressman, S. D. (February, 2015). *The connections between smile intensity in student ID photos and health.* Poster presentation at the 16th Annual Meeting of the Society for Personality & Social Psychology, Long Beach, CA.

20. **Cross, M. P.,** Kraft, T. L., & Pressman, S. D. (February, 2015). *It's good to do good and receive good: The impact of a "pay it forward" style intervention on giver and receiver wellbeing.* Poster presentation at the 16th Annual Meeting of the Society for Personality & Social Psychology, Long Beach, CA.

21. **Cross, M. P.,** Kraft, T. L., & Pressman, S. D. (February, 2015). *It's good to do good and receive good: The impact of a "pay it forward" style intervention on giver and receiver wellbeing.* Poster presentation at the Happiness and Well-being Pre-Conference, Society for Personality & Social Psychology, Long Beach, CA.

22. **Cross, M. P.,** *Estevez Cores, S. M., *Bower, A. H., & Pressman, S. D. (March, 2014). *What types of social relationship variables are associated with respiratory sinus arrhythmia?* Poster presentation at the 72nd Annual Scientific Meeting of the American Psychosomatic Society in San Francisco, CA.

23. Leger, K. A., **Cross, M. P.,** & Pressman, S. D. (March, 2014). *The relationship between self-rated health, heart rate, and heart rate variability in healthy young adults.* Poster presentation at the 72nd Annual Scientific Meeting of the American Psychosomatic Society in San Francisco, CA.

24. **Cross, M.,** Brooks, K., & Robles, T. (May, 2012). *We get by with a little help from our friends: The relationship between types of social support and emotion.* Poster presentation at the Psychology Undergraduate Research Conference at UCLA, Los Angeles, CA.

25. **Cross, M.,** Frazier, M., Galligan, M., Vishnevsky, R., Thom, E., & Sandhofer, C. (2011, May). *Examining the relationship between word learning and experience within categories.* Poster presentation at the Psychology Undergraduate Research Conference at UCLA, Los Angeles, CA.

26. **Cross, M.,** Frazier, M., Galligan, M., Vishnevsky, R., Thom, E., & Sandhofer, C. (May, 2011). *Examining the relationship between word learning and experience within categories.* Poster presentation at the Symposium on Cognitive and Language Development at California State University Los Angeles, Los Angeles, CA.

ADDITIONAL RELEVANT WORK EXPERIENCE

Lab Manager and Research Coordinator 2012 – 2013
Social Neuroscience Laboratory, UCLA
Principal Investigator: Shelley E. Taylor, Ph.D.

- Coordinated an NIA-funded study investigating the physiological correlates of psychological vulnerabilities to fraud across the lifespan
- Assisted in writing and editing *Health Psychology,* 9th edition, by Dr. Shelley E. Taylor
- Developed and submitted research study protocols to Federal grant institutions (NIH, NSF) and UCLA's Institutional Review Board

PROFESSIONAL SERVICE

American Psychosomatic Society Emerging Leaders Committee 2017 – 2020
Responsible for promoting the development of early career members and trainees as scholars and leaders in psychosomatic medicine

Mentor for the International Medicine Education and Development Club at the University of California, Irvine 2018 – 2019
Served as a mentor for two undergraduate students who were interested in careers in the health sciences

American Psychosomatic Society Program Committee 2017 – 2019
Responsible for developing the academic portions of the Annual Meeting

Editorial Review Board

Cogent Psychology: Health Psychology 2021 – present

Ad Hoc Reviewer

Perspectives on Psychological Science
Frontiers in Psychology: Personality and Social Psychology
Health Psychology
Applied Psychology: Health and Well-Being
Journal of Health Psychology
International Journal of Applied Positive Psychology

Conference Reviewer

American Psychosomatic Society

DEPARTMENTAL SERVICE

The Pennsylvania State University

Experiential Programs Admissions Committee — 2020 – present
Department of Biobehavioral Health

World Campus Committee — 2019 – present
Department of Biobehavioral Health

World Campus Faculty Search Committee Member — 2021
Department of Biobehavioral Health

Global Health Admissions Committee — 2019 – 2020
Department of Biobehavioral Health

University of California, Irvine

Clinical Neuropsychology and Aging Faculty Search Committee Member — 2018
Department of Psychological Science

NSF GRFP Internal Review Committee — 2018
School of Social Ecology

Graduate Recruitment Chair — 2016 – 2017
Department of Psychological Science
Responsible for coordinating the interview weekend for potential future graduate students

Social Chair — 2014 – 2016
Department of Psychological Science
Responsible for planning community-building events for faculty and graduate students

UNIVERSITY SERVICE

Schreyer Honors College Selection Committee — 2019 – 2020
The Pennsylvania State University

PROFESSIONAL DEVELOPMENT

The Pennsylvania State University

Certificates Completed

Foundations for Online Teaching Certificate 2021
Four-course online certificate to help develop essential competence in online teaching

Courses Completed

"Supporting World Campus Students in Distress" 2021
Designed to help faculty effectively address concerns about student behavior and care

"Serving the Military and Veteran Student" 2021
Designed to help faculty learn about military and veteran students and how best to support them in our classes

"Supporting Accessibility for Online Learners" 2020
Focused on processes that support student accessibility to online learning

"Teaching the Adult Learner" 2020
Provided a basic understanding of the adult learner and assisted with effective teaching methodologies

"Introduction to World Campus" 2020
Designed to provide an introductory look at the process by which a World Campus program and course are developed

"Introduction to Canvas" 2019
Designed to build faculty competency in using many features of Canvas

"Essentials of Online Teaching" 2019
Designed to provide a solid foundation to practice effective online teaching; activities focused on discussion management, assessment techniques, developing learning activities, reflective practice, and planning for future development and community building

PROFESSIONAL AFFILIATIONS

American Psychosomatic Society 2013 – present

American Psychological Association 2017 – present
Division 2, Society for the Teaching of Psychology
Division 38, Health Psychology
