EDUCATION

2007 Ph.D. University of Washington (BioCultural Anthropology)

2003 M.A. University of Washington (BioCultural Anthropology)

2000 B.S. Emory University (Anthropology and Human Biology)

OTHER TRAINING

National Institutes of Health (NIH) Programs to Increase Diversity among Individuals Engaged in Health-Related Research (PRIDE) Cohort 3 (2013 - 2014)

American Association of Health Behavior (AAHB) Mentoring Program Award (2011 - 2012)

National Cancer Institute (NCI) Post-doctoral Fellow, Department of Health Promotion and Behavioral Sciences, University of Texas School of Public Health (2009 - 2010)

W.K. Kellogg Foundation Health Disparities Scholar. Department of Health Disparities, Center for Health Equity and Evaluation Research (CHEER) at the University of Texas MD Anderson Cancer Center (2007 - 2009)

American Anthropological Association (AAA) Dissertation Fellowship (2006 - 2007)

University of Washington Arts & Humanities and Social Sciences & Social Professions Fellowship (2006 - 2007)

Association of Schools and Programs in Public Health (ASPPH)/Centers for Disease Control (CDC) Fellowship, Cancer Track (Cancer Prevention); Fred Hutchinson Cancer Center (2004-2006)

National Science Foundation (NSF) Doctoral Dissertation Research Improvement Grant, Behavioral and Cognitive Sciences Division, Physical Anthropology (2004 - 2006)

SCIENTIFIC, PHILANTHROPIC AND FEDERAL EVALUATION & CONSULTING

2023 - Present, Scientific Advisor to the Environmental Protection Agency's (EPA) National Environmental Justice Advisory Council (NEJAC) Farmworkers & Pesticides Workgroup.

- Charged by the Office of Chemical Safety and Pollution Prevention (OCSP) and the Office of Enforcement and Compliance Assurance (OECA) to provide technical information and recommendations regarding access to information on bilingual (Spanish and English) pesticide labels for farmworkers.
- Developed a farmworker-related indicator by which EPA can measure progress to reduce disparities, increase equity, and enhance EPA's ability to track/prevent exposures of working children in agriculture.

2023, Equity Consultant and Evaluator for Sound Transit, Crossbeam Collaborative

- Assessment of needs, incorporating interviews leaders who engage people experiencing homelessness and people in crisis (Communities of Focus for the purposes of this scope of work) in King, Pierce, and Snohomish Counties of Washington State. This work facilitated the building of community partnerships, assess the needs, and create policies/procedures that takes into account passengers, transit employees (in-house and contracted), transit property and facilities, and transit agency-managed environments.

2022, Equity Consultant and Evaluator for W.K. Kellogg Foundation Racial Truth, Racial Healing & Transformation (TRHT) framework, Crossbeam Collaborative

- Commissioned Intentional conversations with TRHT communities to learn directly from site leads how they would be best supported by WKKF in the future. Needs assessment report generated, successes and values, opportunities and challenges, convenings, and COVID-19 pivots

2021 - 2022, Equity Consultant and Evaluator for W.K. Kellogg Foundation Racial Equity Anchors Annual Evaluation, Crossbeam Collaborative

- Advised, analyzed, and wrote the 2021 and 2022 annual evaluation reports of the Racial Equity Anchors awardees, including Unidos, the National Association for the Advancement of Colored People (NAACP), Advancement Project, Asian Pacific Islander American Health, Forum (APIAHF), Demos, Faith in Action (FIA), National Congress of American Indians (NCAI), National Urban League, Race Forward. portfolio on community health and resilience and racial equity.

2020 Equity Consultant and Evaluator for W.K. Kellogg Foundation's 10-year Strengths and Trends Analysis, Crossbeam Collaborative

- Lead, consult and advised on the 2020 report, including coding, consensus, analysis and writing of the report for a 10-year trend evaluation of the \$300M W.K. Kellogg Foundation investments across several portfolios, including Racial Equity Anchors, Strong and Effective Sector, Cultures of Giving which evolved into Catalyzing Community Giving, Community Leadership Network, Solidarity Council on Racial Equity, America Healing, and Truth, Racial Healing and Transformation.

2019 - 2022, Vice Chair, Health Resources and Services Administration (HRSA), National Advisory Council on Migrant Health

- Led (Vice-Chair) the 15-member National Advisory Council on clinical and social determinants of health for diverse migrant populations served federally qualified health centers (FQHCs) in the United States. The Federal appointment was made directly from the United States Health Secretary (Azar), Department of Health and Human Services (DHHS), Rockville, MD.

2017 - 2019, Council Member, Health Resources and Services Administration (HRSA), National Advisory Council on Migrant Health

- Advised on FQHCs for migrant populations. Federal appointment was made directly from the United States Health Secretary (Price), Department of Health and Human Services (DHHS), Rockville, MD.

FACULTY APPOINTMENTS

2018 - Present, Associate Professor, Department of Biobehavioral Health, Penn State University (Tenured)

- Active research affiliate positions with the Institute for Energy and the Environment (IEE), Population Research Institute (PRI), Prevention Research Center (PRC), and Social Science Research Institute (SSRI), State College, PA.

2010 - 2018, Assistant Professor, Department of Biobehavioral Health, Penn State University (Tenure-Track)

- Research affiliate positions with the Institute for Energy and the Environment (IEE), Population Research Institute (PRI), Prevention Research Center (PRC), and Social Science Research Institute (SSRI), State College, PA.

ADVISORY POSITIONS IN DIVERSITY, EQUITY AND INCLUSION

2015 - Present, President's Commission on Race, Equity and Diversity (CORED)

- CORED is an advisory group to the President of Penn State University. CORED's charge is to provide to the President with recommendations germane to issues of racially or ethnically diversity and belonging at Penn State. Appointments are made by the President of the University based upon member expertise, and the ability to create innovative, evidence-informed recommendations for an inclusive and welcoming campus.

2018 - 2021, Chair, Diversity, Equity, Inclusion and Belonging

- Led a team of 6, as well as designed and implemented all programming in the Department of Biobehavioral Health in the area of diversity, equity and inclusion at Penn State University. Efforts included workforce, graduate student recruitment and retention, data tracking, and leading successful partnerships within, and outside of the University.

2017 - 2021, Dean's Council, Diversity, Equity, Inclusion and Belonging

The Dean's Council within the College of Health and Human Development at Penn State works to create comprehensive workforce diversity, equity, and inclusion strategies designed to dismantle structures that reinforce inequality and actively promote a college culture that respects, supports, and values employees and the community.

GRANTS AND FUNDING

§ indicates external funding

2024 - 2026, United States Environmental Protection Agency (EPA) §, Assessing *Nervios* in the Agricultural Workforce, **Role: PI**

Pending National Institutes of Health (NIH) § Common Fund initiative, Office of the NIH Director, Office of Strategic Coordination, Community Partnerships to Advance Science for Society (ComPASS): Health Equity Research Hubs **Role: Co-I and Core Lead**

2021 - 2024, United States Department of Labor (USDA) §, Assessing the Quality and Quantity of Housing for the PA Agricultural Workforce, **Role: Co-PI**; PI: Kathleen Sexsmith

2020 - 2024, T32 National Institutes of Health (NIH) §, Training Program in Social Environments and Population Health; **Role: Co-PI**; PIs: David Iceland and Jenny VanHook

2017 - 2023, Penn State Institutes of Energy and the Environment (PSIEE), Using an Environmental Justice Lens: An Integrated Pest Management and mHealth Program Aimed to Reduce Pesticides Exposures for Vulnerable Hispanic Mushroom Farmers in Pennsylvania; **Role: PI**

2012 - 2018, National Science Foundation (NSF) Center Grant §, Advanced Self-Powered Systems of Integrated Environmental Health Sensors and Technologies (ASSIST); Grant #

1160483; **Role: Co-I**; PI: Veena Misra, PhD

2012 - 2018, Social Science Research Institute (SSRI), Penn State University, Preventing Pesticide Exposure (PPE): A Pilot Intervention to Improve Farmworker Health; **Role: PI**

2012 - 2015, Social Science Research Institute (SSRI)/Clinical Translational Research Institute (CTSI) Cancer Control Seed Funding, Penn State University, Patterns of Modifiable Behaviors for Cancer Prevention among U.S.- and Foreign-Born Vulnerable Populations; **Role: Co-I**; PI: Patricia Miranda, PhD

2012 - 2013, Center for Diverse Families and Communities, Penn State University, Preventing Pesticide Exposure (PPE): Formative Work toward Intervention Development; **Role: PI**

2010 - 2012, Kaiser Permanente[§] Burch Minority Leadership Award for Health Disparities Research; **Role: PI**

2009 - 2010, Research Royalty Fund (RRF) Population Research Infrastructure Program, University of Washington, Health Initiatives for Men (HIM): A Pilot Study; **Role: Co-I**; PI: Kathleen O'Connor, PhD

2007 - 2009, National Institute for Occupational Safety and Health (NIOSH)[§], Southwest Center for Agricultural Health, Injury Prevention, and Education (SWAgC) Project; Grant # HHS/CDC 5 U50 OH008085-06/S; **Role: Co-I**; PI: Jeff Levin, PhD

SELECTED PRESENTATIONS

Invited Talks and Keynote Addresses:

Snipes, SA. "Being a Daughter of the South Defines Me...and My Research: Honest Storytelling, Transparent Ethnography, and Case Examples from Migrant and Seasonal Farmworker Health, University of South Carolina, Columbia, SC. 2023 (Invited Speaker)

Snipes, SA. "Environmental Justice and Why It Matters," University of Alabama-Birmingham, Birmingham, AL. 2023 (Invited Speaker).

Snipes, SA. "Ethnography, Environmental Justice, Intervention, and Policy: An Integrated Health Behavior Program for Migrant and Seasonal Farmworkers," University of South Carolina, Columbia, SC. 2022 (Invited Speaker).

Snipes, SA. "The Inconceivable Trauma, Toil and Tenderness that Shapes the Health of Migrant and Seasonal Farmworkers," Penn State Alumni Association Virtual Speaker Series. 2021 (Invited Speaker).

MEDIA FEATURES

Penn State University News: "Social Science Research Institute welcomes new associate directors."

Pennsylvania State University News: "Farmworkers' perceived discrimination affects work experience, injury treatment."

Pennsylvania State University News: "Access to health care is a real challenge for rural

communities.”

Pennsylvania State University News: “Public health anthropologist uses ethnography to improve farmworker safety: Understanding cultural background can help limit pesticide exposures.”

Emerging Scholar Award, *Diverse Issues in Higher Education*

TEACHING AND MENTORING

Undergraduate Courses: Experience Teaching In-residence and Online Courses, Including Introduction to Biobehavioral Health, Biobehavioral Perspectives on Ethics, Behavior Health and Disease, Women’s Health, Immigrant Health Issues (Conceived and Developed Course)

Graduate Courses: Biobehavioral Health Theory and Health Promotion, Ethnographic Field Methods for Health Research, Qualitative Research Methods for Public Health, Applied Qualitative Methods in Community Health Assessment

Students Mentored: 12 PhD students to completion (10 from underrepresented backgrounds in biomedical science); 3 Masters students to completion; 3 undergraduate honors students; 11 undergraduate research assistants; Former students currently hold academic and/or practicing positions in Medicine, Social Work, Global Health (Peace Corps) and Public Health

KEY SKILLS

Languages: Spanish (Moderate Speaking/Reading)

Research: Mixed Methods (Qualitative and Quantitative), Ethnography, Community-Based Participatory Research (CBPR), Bio-specimen collection at home and worksites in adults and children – urine, saliva

Software: NVivo, Atlas.ti, DeDoose STATA, SAS (basic programming), Microsoft Office, including Excel and Powerpoint, Endnote

NATIONAL SERVICE

National: Member of National Advisory Council on Migrant Health, Appointed by United States Health Secretary, Department of Health and Human Services. (May 2017 - 2022).

Professional Memberships: American Public Health Association (2013-Present), American Academy of Health Behavior (2011 - Present), American Anthropological Association (2006-Present), Society for Applied Anthropologists (2006 - Present)

Research Groups: Culture of Health Equity (2010 - Present), Interdisciplinary Roundtable On Immigration (2015 - Present), Health Disparities, Education, Awareness, Research and Training (HDEART) Consortium (2010 - Present), W.K. Kellogg Foundation Health Scholars Alumni Network (2009 - Present), Robert Wood Johnson Foundation/W.K. Kellogg Foundation Cross-National Initiative for Migration Place and Health (2009 - 2012), *Redes En Acción* National Latino Cancer Research Network – Central Region (2007), Texas LINCC: Latinos in Action for Cancer Control of the Cancer Prevention and Control Network, (2007)

Manuscript Reviews: Social Science and Medicine, American Journal of Public Health; American Journal of Industrial Medicine, Agromedicine, International Journal of Occupational and Environmental Health, PLoS ONE, Environmental Justice, Journal of Immigrant and Minority Health, International Journal of Occupational and Environmental Health, Public Health Reports, Annual Review of Public Health
